

HEMPFIELD SCHOOL DISTRICT Brand Standards

2021-2022

LANDISVILLE, LANCASTER COUNTY, PENNSYLVANIA

Brand Colors

When the logo is reproduced, please use the following colors for consistency of application. One of the easiest mistakes to make in displaying a logo is to choose colors that seem “close enough” or “just about the right shade.” It is important for branding efforts to be as consistent as possible every time our audience sees our logo or a promotional item from our district. Use only the colors specified.

Another important aspect is that color contrast can be an accessibility issue for users with low vision and colorblind users. Our brand colors, as defined here, offer sufficient contrast.

Community Partnerships

Hempfield School District works exclusively with Market Street Sports Group to develop community partnerships that provide additional revenue streams for our school district. The collective goal is to build true partnerships that enhance the overall educational experience while allowing local and regional companies to have exposure through naming rights, sponsorships, and advertising. Some important points to keep in mind:

- Most agreements with the Hempfield School District contain an exclusivity clause prohibiting the district or its auxiliary groups from marketing competitors at district events.
- During the course of any special events, please do not hang any signage that covers existing sponsorship signage.
- Promotions for district and school events that make use of sponsored facilities should appropriately identify our sponsors (listed below).
 - Georgelis Law Firm Stadium at Hempfield High School
 - Orthopedic Associates of Lancaster Trainers Room
 - JK Mechanical Varsity Baseball Field
 - Lancaster Toyota Tennis Courts
 - Wheatland Federal Credit Union Cafeteria at Hempfield High School
 - Albright & Thiry Orthodontics Ticket Booths at the Hempfield High School Gymnasium

Because this list often changes, our current partners are always updated and available on the district website under the Communications Office tab.
