

Dream Dinners Fundraiser

Do you travel locally for vacation? Do you struggle planning meals? Here's a great option!

Dream Dinners is back by popular demand. You can pick 3 of these delicious meal kits for \$50. They come frozen so pop them in your freezer until you're ready to take them with you or eat them now!

Bonus: They are easy to make, less mess, lets kids try something new and can help them learn to follow directions if you do it together.
