

# HO! I'm Miss Haines

## School Counselor: Mountville Elementary School

### Hello and WELCOME BACK!

I hope that you had a relaxing summer vacation. My name is Cara Haines, and I am thrilled to be the new full-time counselor at Mounville Elementary! This is going to be a fun year filled with learning, growing, and lots of new adventures. I cannot wait to get to know you, and most importantly, your child.

Throughout the year, my wishes are that there will be bountiful successes for all students! Over the next few months, I will be able to assist your child in personal and social skills, academic support, transition skills, and individual student planning. If you have any questions about the School Counseling program, please let me know. It is my mission to guide the students at MES toward finding a love for learning in order to develop life-long learners.

Please contact me with any questions or concerns. It is so important to keep communication open between us. I look forward to a great year together!
