Welcome to the start of our 2023-2024 school year. We look forward to partnering with you throughout the year in the best interest of your child(ren) and helping them be successful. As a quick reminder, **School Picture Day** will be during the day on September 7, 2023. School yearbook forms will be sent home later this school year.

We are pleased to work with you as educational partners. Thank you in advance for filling in the beginning of the year papers, bookmarking websites for communication purposes, and helping our PTO. We look forward to a positive year of partnering with you to provide a rich experience for your children which will help them lay the groundwork for future success.

You are cordially invited to attend our Parent-Teacher Organization **meeting and Back to School Night for Parents at the Primary Center on Wednesday, August 30th. This meeting is for parents only.** Students will be encouraged to attend other meetings with their parents throughout the year when we have family events. Please remember this evening is for learning about the school, the curriculum, and policies and procedures to expect during the year. If you have individual questions or concerns about your child, please schedule a separate time to meet with the classroom teacher to discuss this privately at a more convenient time for everyone. The schedule of events can be found on the following page.
