

Do I need to be in Isolation or Quarantine?

COVID-19 Patient:

Sick and needs to stay home and away from others (**in isolation**)

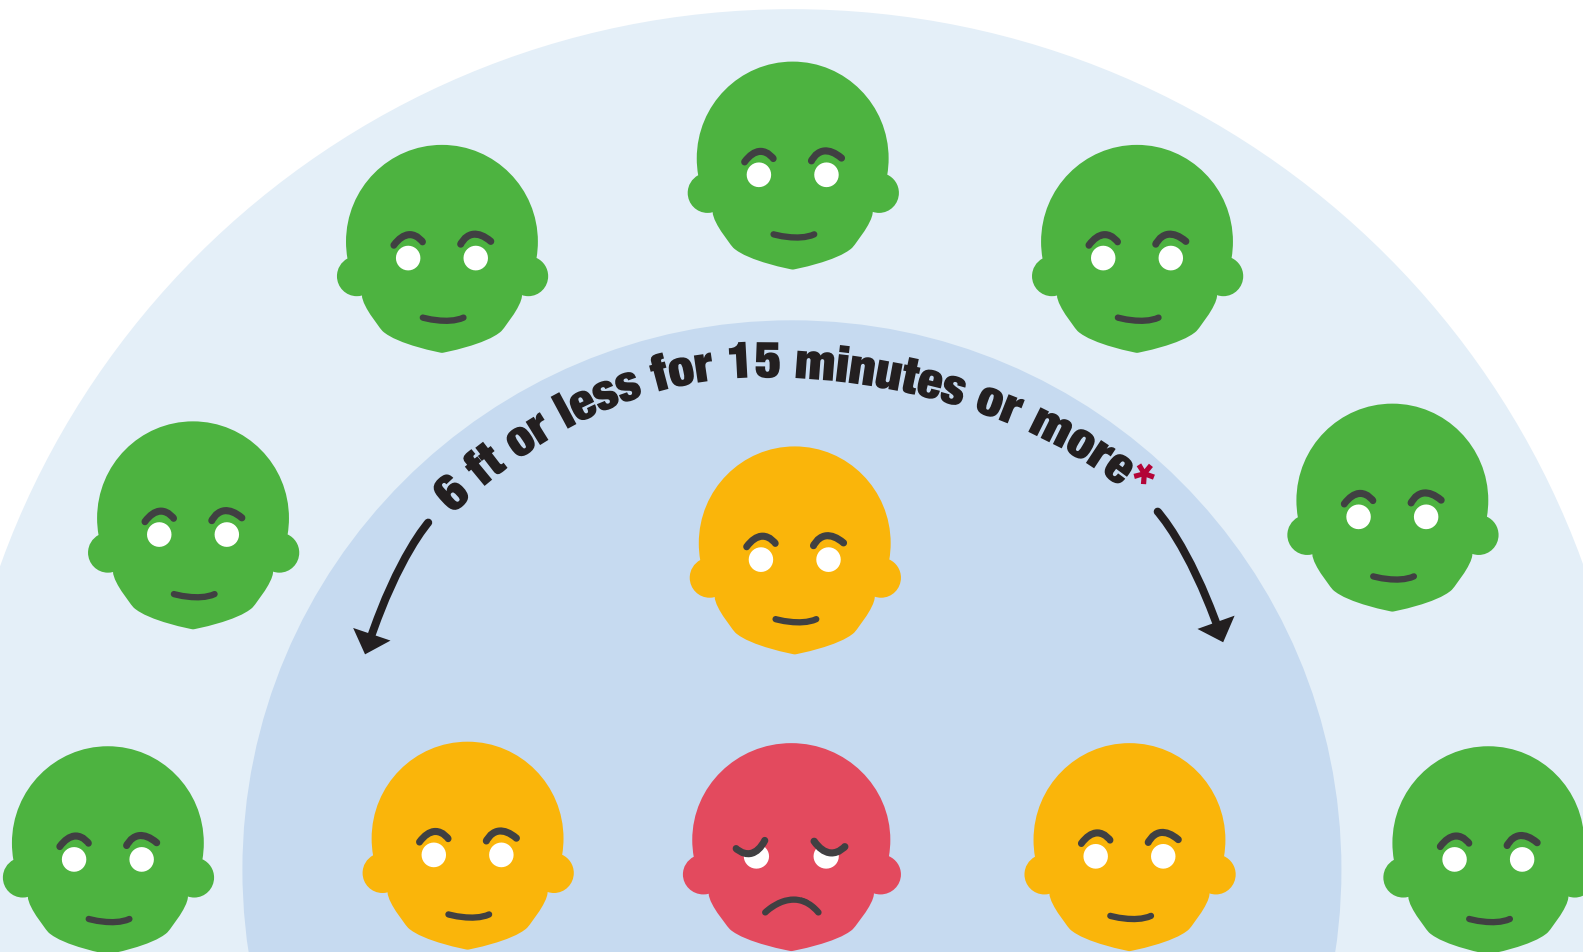

Close Contacts:

Healthy but in close contact with a COVID-19 patient; needs to stay home (**in quarantine**)

Contacts of Contacts:

Not in close contact with the COVID-19 patient; no reason to isolate or quarantine at this time, unless experiencing symptoms

*Whether you wear a mask or not
