Completing sixth grade and progressing out of elementary to middle school is quite a transition. At Landisville Intermediate Center, the Landisville PTO commemorates our sixth graders' accomplishments with a class t-shirt, bearing the school logo and the signatures of every sixth grader in our school. This year, the PTO would like to provide these cherished t-shirts for free to each of the sixth graders. In order to do that, the PTO is looking for sponsors to help cover t-shirt costs.

The total cost of the t-shirts will be approximately \$2,100. Six sponsors are needed.

For a sponsorship of \$350, sponsors receive:

- Company logo printed in black on the back of the t-shirts
- Recognition on the Landisville PTO Facebook page
- Recognition in communication to sixth grade families

The Landisville PTO is a 501(c)(3) nonprofit organization. The deadline to become a sponsor is April 7, 2023. For more information, please contact Alicia Brumbach, LIC PEP Coordinator, at [aliciabrumbach@yahoo.com](mailto:aliciabrumbach@yahoo.com).
