

Farmdale Volunteer Opportunities 2020/2021

As you know, this year is new and different. The FPA is working in conjunction with Farmdale teachers and staff to ensure that we provide all our events that we would normally offer. But we want to acknowledge that some of our events may be postponed or delayed due to Covid. But that does not mean we do not want to have them! So if you see an event that you would like to participate in, please put yourself on the volunteer list, and when we do the event we will make sure we reach out to you. This year we are not having an “if” mindset, but more of a “when and how” mindset. We can’t wait to have you volunteer!

- Fall & Spring Book Fair:** Serve as consumer guide for the students, as a cashier, to help set-up or tear down (day and evening hours).
- **Field Day:** Hand out ice pops after field day activities.
