

# EPES PTO School Store Coupon Order Form

School store coupons are available for purchase from the PTO. Coupons make a great gift for your student's classroom (birthday, holidays, valentines etc.), a gift, or reward for your student. Coupons work like a gift certificate and can be used to shop for school-related items like pencils, erasers, stickers, highlighters, colored pencils, cool folders, and more! Most items are under \$1.00, with many items for \$0.25.

You or your student can bring this order form, with payment in the form of cash or check payable to EPES PTO, to the office or their teacher.

**Please allow 5-7 days for coupons to be delivered as you indicate below. An e-mail confirmation will be sent to the address below when the order has been processed.**
