

Hempfield School District
PARENT FORM
FOR DIVORCED/SEPARATED PARENTS WITHOUT CUSTODY ORDER

Hempfield School District (District) requests separated/divorced parents seeking to enroll their children in a District school to complete this form in the absence of a valid court order specifying physical and legal custody rights.

THIS FORM DOES NOT NEED TO BE COMPLETED IF PARENTS PROVIDE A VALID CUSTODY ORDER ISSUED BY A COURT. Although information is required for both parents, only parents who are residents of the District need to sign the form (if both parents are residents, both need to sign).

The purpose of form is to determine the following: (1) whether the child is a District resident and (2) the child's primary home address, for purposes of identifying elementary school attendance areas and the development of school bus routes.
