

Attention: Future Kindergarteners attending Rohrerstown Elementary School during the 2024-2025 School Year!

Rohrerstown Elementary Preschool Connections

Children who will be attending Kindergarten at Rohrerstown Elementary next August are invited to share in this time of enrichment. Each month the session will feature information concerning your child's preparation for the school experience and how you can enhance that experience. Children will have an opportunity to participate in learning activities and story time, while parents learn how they can support them. All children will receive a book to take home. **Children must be accompanied by a parent/guardian.**
