

Attention: Incoming Kindergarteners 2025

Do you have a preschool age child who will be coming to Centerville Elementary for Kindergarten in **2025**?

If so, please join us for Preschool Connections!

Parents and their children who will be attending kindergarten at Centerville Elementary in August 2025 are invited to share in this time of enrichment. Each month, the program will feature information concerning your child's preparation for the school experience and how parents and guardians can enhance that experience. Children will have an opportunity to participate in learning activities and meet Centerville teachers and staff members. New books will be distributed for reading at home, compliments of the Centerville PTO.
