

**FARMDALE ELEMENTARY SCHOOL  
PRESCHOOL CONNECTIONS  
2022-23**

Dear Parents,

The Farmdale Elementary School Preschool Connection sessions are ready to begin for the 2022-23 school year. Sessions are held at Farmdale Elementary School from 12:50-1:30PM. The first session will be held in November and the program will run through March.

A parent and their preschool age child, who will be attending kindergarten at Farmdale next August, are invited to share in the sessions. Due to limited space, please plan for only 1 adult to attend with the preschooler.

Each month the program will feature information that will support the transition to kindergarten. Children will enjoy participating in story time and an activity. In addition, the children will take home a new book to enjoy.

Please see the back of this flyer to view specific dates and session topics for the 2022-23 school year. The Literacy Team and FES faculty look forward to meeting you and your preschooler!

Sincerely,  
The FES Literacy Team
