# Safety Precautions

- Please take extra precautions and be vigilant at all times when walking, biking, and/or driving around the campus due to increased traffic and unusual traffic patterns.
- Please be sure you are adhering to road/street signs, approved detour routes and directions, etc. as they can be enforced by the police.

# FAQs

**Q:** *How long will Church Street be closed?*

**A:** During the project, Church Street will be closed Monday through Friday, 6 am – 5 pm. The work is expected to last 5-6 weeks.

**Q:** *Where can I express my concerns or get answers to questions I have about the project, general public detour, closures, etc.?*

**A:** Questions and concerns should be directed to the Hempfield Water Authority at 717-898-8231.

**Q:** *Will there be any temporary lights set up on any part of the detour (i.e.: Kauffman and Stony Battery roads)?*

**A:** No temporary lights will be set up on any part of the detour route. Additionally, there will not be road crews on the detour to assist with traffic.
