

Elementary Health & Physical Education Policies / Procedures

Sneakers – Students must wear an athletic shoe that covers their toe and heel. The first offense is a reminder slip sent home. The second offense is a deduction of their 5 effort points and 5 sportsmanship points due to their inability to participate in the day's activities safely. If the students choose to fill out our department's non-participation sheet, he or she will receive 4 of their 10 points back. Upon completion of their worksheet, students may be presented with a safe, alternate activity at the teacher's discretion for the remainder of the class period. Any students who miss 3 consecutive classes may be sent to the office to complete further work.

Injuries / Illness – If your child needs to be excused from physical education class due to illness or injury, please write the nurse a note and send it to the school with your child. It is the Hempfield School District Policy that students have a doctor's note if they need to be excused for more than one week.
