

Department Overview

Department Stats (2020-2021):

- 13 teachers across all buildings
- 43 languages represented
- 533 students currently in the program

Process for Identifying English Learners:

1. Students enter the process through...

- Completion of Home Language Survey
- Parent/Guardian Interviews

2. Students identified move on to a screening evaluation:

- ELD teacher administers WIDA screener
- Parent/Teacher input
- Multidisciplinary Team Meeting held to go over the results

3. Students who qualify...

- are assigned an ELD teacher
- are identified as an English Learner (EL)
- receive ELD instruction
 - push-in or pull out classes
- participate in annual WIDA assessment
- receive appropriate accommodations in general content classes

Chapter 22 of the Pennsylvania state education guidelines mandates districts to provide a program for every student who is an English Learner (EL).
