For Rental Fee information, please call the Food Service office at:

717-898-5566

What are Food Service rental fees?

Rental fees are structured for any events during school hours, after school hours, or weekends. For example, if you are looking to store food and drinks in one of our walk-in coolers for a 2-day event, that would be a fee of \$25.00 per day.

Why are there rental fees? The rental fees help cover the cost to maintain and pay for preventative maintenance on the commercial grade equipment we use in School Food Service.
