## MEETING YOUR GUIDELINES WITH DELICIOUS PRODUCTS.

Every state is required to follow the USDA Federal Guidelines when it comes to school nutritional meal products and à la carte items. Our goal is to assist you in finding delicious products to satisfy and delight students and staff, while enabling you to increase your school's profit potential and meeting your specific needs and guidelines.

## NATIONAL GUIDELINES

The USDA Smart Snacks Rule means that all foods and beverages sold outside the school meal program during the school day must meet the nutritional standards. These standards are:

- <190 Calories
- <6g Total Fat
- ≤2g Saturated Fat
- Approved by the USDA as meeting the Smart Snack Rules

## HERSHEY'S® HELPING YOUR YOUTH AND YOUR SCHOOL.

The Smart Snacks in School nutrition standards support better health for our kids and echo the good work already taking place in schools across the country. The USDA is committed to working closely with students, parents, school stakeholders and the food and beverage industries to implement the new guidelines, and make the healthy choice the easy choice for America's young people.

Smart Snacks categories feature products that meet USDA Smart Snacks in Schools Guidelines, which the Alliance for a Healthier Generation has officially adopted, effective July 1, 2014.
