How to PhotoDay – Step by Step

- Scan QR Code above OR text your access code **58736GY24** to **90738**
- You can pre-purchase credits... the entire credit purchase will apply to your order
- Wait for the gallery to be published. If you subscribed as above, you will receive a text when your gallery is published.
- Use facial recognition to easily identify images your senior is in
- You can mix and match poses to create a package.
- Make sure when checking out to subscribe to text and email communications so PhotoDay can send you tracking information and a receipt.
