

HOW TO CREATE A WIN5 CLUB

WIN5 is a flex period at the end of the school day. It meets regularly throughout the school year following our WIN period, cycle schedule. WIN is an acronym for the term, "What I Need". WIN1, WIN2, WIN3, and WIN4 provide students the opportunity to connect with their individual class teachers to address any academic needs they may have in their respective courses. WIN5 offers an opportunity for students to explore other interests, connect across a broader range of students, or lead a cause they are passionate about.

WIN5 clubs are student lead. This means that students must demonstrate initiative following the guidelines below to create the WIN5 club of their choice. Students interested in creating a WIN5 club must submit the fully completed, attached paperwork prior to the deadline of October 4th. All paperwork should be submitted to the Grade 10 Principal in the Buchanan Office. Please complete the following steps. If you have any questions, please contact your grade-level Principal.

Step One: Complete the form on the following page.

Step Two: Find a teacher who will advise the WIN5 club. List possible locations where you would like the WIN5 club to meet. (If an outdoor club, where would the club meet in case of inclement weather.)

Step Three: List all students who will be enrolled in the WIN5 club.

WIN5 clubs will begin October 15th. Students will be notified of their clubs once all paperwork has been submitted and approved. Any student who is not enrolled in a WIN5 club will remain in their grade level WIN5.
