Hempfield School District is seeking proposals for connectivity between the district's data center and school bus depot.

Data Center:
Landisville Education Center
220 Church Street
Landisville, PA 17538

Bus Depot:
3871 Old Harrisburg Pike
Mt. Joy, PA 17552

The district is seeking proposals for leased lit layer 2 or leased dark fiber point to point service.

For leased lit services, monthly costs for 200 Mbps, 500 Mbps, and 1 Gbps should be provided. For leased dark services, any additional technical requirements should be specified.

All options should clearly indicate any non-recurring or construction charges as well as any monthly service charges.

Costs should be provided for a 5 year contract with service beginning on June 1, 2019 and ending on June 30, 2024.

Please send all responses and technical questions to:
