

2023-2024 Pennsylvania System of School Assessment (PSSA)
Parental requests to review PSSA

Pennsylvania System of School Assessment (PSSA) tests will be available for review in school buildings two weeks prior to the testing windows.

PSSA Subjects	First Day Test Available for Review	Last Day to Review Test
English Language Arts (ELA)	Tuesday, April 9	Monday, April 22
Math	Tuesday, April 9	Friday, April 26
Science (4th and 8th only)	Tuesday, April 9	Tuesday, April 30

- To opt out of the PSSA, parents must come into the building to review the assessments before they can determine whether any content is objectionable. A parent/guardian may **only** request a secure assessment review if they believe that they may have an objection to content based upon their religious beliefs.
- Parent/guardian **must contact the building principal** to provide a convenient time for PSSA test review. If requested, this may include an evening review time. All tests may not be available at the same time for review. Multiple appointments may be required. If all tests are in the building, parents may view them all at once.
- The principal, or designee, will be present at all times during the test review. Proper security and confidentiality of the exam must be maintained at all times.
- Parent/guardian must sign the **Parent Confidentiality Agreement (PCA) prior to test review**. Parent/guardian may not photocopy, write down or record in any other manner, any portion of the exams, including directions.
- Students whose families have opted them out of the PSSA will participate in academic activities during the PSSA assessment time. Examples of academic activities are reading, Exact Path activities, and research.
