Hempfield is now accepting payments for 1:1 iPad insurance for the 2019-2020 school year. **Insurance is optional and not required for students taking their iPad home, but it is strongly encouraged to cover any accidental damage that might occur.** Like previous years, the insurance covers two separate incidents of damage during the school year and following summer. The insurance is designed to completely cover all common forms of damage including cracked screens. Any damage occurring in school is covered regardless of the purchase of insurance. Intentional damage is not covered. If you have additional questions about coverage, please consult the iPad Handbook and iPad Usage Agreement on our website (www.hempfieldsd.org/1to1) or call the Technology Office at 717-898-5596.

For families that qualify for Economic Hardship Status (www.hempfieldsd.org/student-services)

1. ! Insurance coverage for the school year is automatically provided by the district. Families MUST elect to share information with the Technology Department when signing up for the Free and Reduced Meal Program for the school year.

For families that do NOT qualify for Economic Hardship Status

1. ! Full insurance for the school year is \$30 / student.
2. ! There is a family maximum of \$90.
